

# Randolph County

## LOCAL EMERGENCY PLANNING COMMITTEE

Randolph County LEPC Minutes

July 13, 2021

Christie McCorquodale called the meeting to order at 1400.

January 12, 2021 minutes approved (first – Jamie Brown, second – Matt Talbott)

Christie McCorquodale presented “Does Your Safety Report Have Three F’s?” and “Are you Prepared?”

Christie McCorquodale presented EM Incidents for last quarter.

Round Table Discussion was held with everyone present, given the question “Where would you like to see out LEPC go from here?” as well as the opportunity to give any further information they felt would benefit the meeting. The majority of current LEPC members present presented the opinion that they would like to see more training. We discussed LEMC checking into applying for the Tier II Competitive and HMEP grants available. Would like to see a tabletop exercise to start with and then move to a full scale in the coming year(s).

Next meeting scheduled for October 21, 2021 2:00PM. Depending on pandemic situation, in person meeting will be held at the Randolph County EOC, 760 New Century Dr. Asheboro.
